

# Mini Print Server

## SMALL, CONVENIENT, STAND-ALONE PRINT SHARING

### SHARE A PRINTER WITH EVERYONE ON THE NETWORK

It's mini in size and name, but it packs a maxi punch. Add this pocket-sized powerhouse to your printer and everyone on your network can select and use it.

The NetComm NP3640 is a convenient, stand-alone print server that connects direct to your printer. It works independently of your PC, so it frees up your PC's system resources and prints faster too!

### EASY TO INSTALL

You can install your NetComm NP3640 in minutes. It offers a single port, which connects direct to the printer, and a simplified Wizard, which makes it easy to install and configure in any Windows® environment.

### COMPATIBLE WITH MOST PRINTERS

Unlike internal print servers which only support a single printer model, the NetComm NP3640 Mini Print Server supports most parallel port printers and bi-directional printers including laser, colour, bubble-jet and even dot-matrix. This means you don't have to buy a new print server when you upgrade your printer.

### SUPPORTS MOST WINDOWS OPERATING SYSTEMS

The NetComm NP3640 Mini Print Server comes complete with all the necessary software and drivers to attach to most PCs. Operating systems supported include Windows® 95/98/2000/NT/ Me/XP, Macintosh 9x or higher, Netware 3/4/5.x and Unix.

### FITS ALMOST ANYWHERE

The NetComm NP3640 Mini Print Server, is designed to fit well into small network spaces and is an ideal solution for networks ranging from small home networks to small to medium business networks.

### 3 YEAR WARRANTY\*

1 year warranty out of the box.

- Easy Installation for 10/100 Ethernet networks running Windows® 95/98/2000/NT/Me/XP, Macintosh 9.x or higher, Netware 3/4/5.x and Unix

# Mini Print Server

## TECHNICAL SPECIFICATIONS

Print Ports	1 x DB25F, bi-directional IEEE 1284-compliant parallel port, with up to 1.5 Mbps data transfer rate
Network connection	1 x RJ-45 Ethernet port
Network Interface	10/100 Mbps (IEEE 802.3, IEEE 802.2u)
Network Environment	Windows® 95, 98, Me, NT, 2000, XP, Apple Talk, TCP/IP
Network Port	Ethernet RJ-45 (STP)
Frame Type	Ethernet 802.3
Network Speed	10/100 Mbps (20/200 Mbps full duplex)
Protocol	TCP/IP, NetBEUI, IPX/SPX, SMB and Apple Talk
Printing Speed	Over 400Kbtes/sec
Printing methods	PTP (Peer-to-Peer) over TCP/IP or NetBEUI protocol, Windows® LPD printing, Internet Printing, SMB printing (via NetBEUI or TCP/IP protocol), LaserWriter Chooser (EtherTalk), Netware 3.1x (Bindery mode), 4.x (Bindery and NDS mode), 5.0 (Bindery, NDS, and NDPS in legacy mode)

Memory	256KB RAM, 512KB Flash
Upgradeability	Firmware upgrade through network download
Management Tools	BiAdmin (Windows® Applications), PC-Based SNMP applications, FTP, Telenet, HTTP web based.
4 LEDs	Status – green Error – red 10Base-T – yellow 100Base-T – orange
Diagnostic Button	<ul style="list-style-type: none"> <li>• Restore factory default settings</li> <li>• Print test page of current settings</li> </ul>
Weight	56.7g
Dimensions	55mm (L) X 57mm (W) X 20mm (H)
Power supply	9V DC, 500mA
Emissions	CE, FCC, VCCI, C-Tick
Operating Systems Supported	Windows® 95/98/2000/NT/Me/XP, Macintosh 9.x or higher, Netware 3/4/5.x and Unix.

Australians have relied on NetComm to connect them for over 20 years. You can rely on that record of reliability and quality when you buy the NetComm NP3640 Mini Print Server.
