

## KEY FEATURES

⦿	Stylish, Ultra-Compact and Mobile – built-in 3G Modem, Wireless Access Point, Router and Rechargeable Battery
⦿	Convenient Credit Card Size - Ideal Companion for Apple iPad, iPod touch and Sony PSP™
⦿	Insert Your Data SIM Card and Create a Wireless Hotspot
⦿	High-Speed Internet Access for up to 6 Devices Simultaneously with a Single Mobile Broadband Account
⦿	HSDPA Downlink speed up to 7.2 Mbps / HSUPA uplink up to 5.76Mbps
⦿	Supports Wireless G Standard with Data Speeds up to 54 Mbps <sup>1</sup> on Local Area Network (LAN)
⦿	Battery Powered for 4 to 6 Hours in One Power Charge Cycle
⦿	Full Wireless Security Features - WEP, WPA, WPA2
⦿	Simple Configuration and Management via Web Browser
⦿	No Driver and Dialer Software Required to Connect to the Internet
⦿	Works with Windows 7/Vista/XP, Mac OS X, Linux and iPhone OS

**Stylish, Compact and Portable. Unleash the power of 3G to set up a wireless network wherever you need it.**

Etisalat's MyZone 3G WiFi Router is a versatile and portable solution for wireless mobile broadband for the office or on the road. This device creates an instant Wireless G hotspot allowing you to share an Internet connection across multiple devices like smart phones, Netbooks, Laptops and other computers.

Connecting to the Internet is achieved by simply inserting an Etisalat 3G SIM into the SIM slot. The integrated Lithium-Ion battery delivers power for up to 5-6 hours of operation with 40 hours for idle time or you can power the device endlessly with a suitable USB power source.

The device also features advanced security such as VPN pass-through or endpoint, a full complement of wireless security options and MAC filtering. The setup is simple via MyZone browser interface.

1 Maximum wireless signal rate and coverage values are derived from IEEE Standard 802.11g specifications. Actual wireless speed and coverage are dependent on network and environmental conditions included but not limited to volume of network traffic, building materials and construction/layout.

## TECHNICAL SPECIFICATIONS

### HARDWARE SPECIFICATIONS

- Qualcomm MSM7227(600MHz) + RTR6285
- Qualcomm PMIC7540
- Physical Dimension: 97 x 60.6 x 9mm
- Weight: 100g
- Battery Capacity: Li-ion 1350mAh
  - 4 hours operation
  - 40 hours for idle time

### RADIO FREQUENCIES SUPPORTED

- Tri-band 3G: 850/1900/2100 MHz
- Diversity: 2100 MHz
- Quad-band 2G: 850/900/1800/1900MHz
- WiFi 802.11b/g support

### DATA THROUGHPUT

- HSUPA Mode: Category 6
  - Uplink: Up to 5.76Mbps
- HSDPA Mode: Category 8
  - Downlink: Up to 7.2Mbps
- EDGE Mode: Multi slot Class 12

### I/O INTERFACE

- Micro-USB connector (type B)
- SIM Connector

### INDICATOR

- WiFi ON/OFF
- 3G ON/OFF

### BUTTON

- POWER ON/OFF
- Reset button

### SETTINGS

- All Settings of Etisalat can be configured via web

### INFORMATION

- Signal Strength and connectivity status of WiFi and 3G
- Operator Name
- SIM card PIN code configuration
- Battery status
  - 5 level: Full, High, Low, Very Low, Empty
- Traffic monitor
  - Received, Transmitted and Connected time
- Router network configuration information
  - IP address, DNS, net mask
- WiFi configuration information
  - SSID, channel, security
- Connected client status
  - IP address, MAC address, host name

### SECURITY

- WiFi authentication - WEP, WPA, WPA2
- GPRS authentication - PAP, CHAP
- Trusted clients only - MAC filtering

### NETWORK PROTOCOL

- DHCP
- DNS proxy
- NAT/NAPT - ALG support for VoIP
- Port Filtering
  - Only traffic of preconfigured port can access internet
- Port forwarding - virtual server
- VPN Passthrough or endpoint

### POWER MANAGEMENT

- WiFi power management
  - Best Power/Best Performance
- 3G radio power management
  - Enable/Disable : Fast Dormancy
- System power management
  - Auto off after idle for a period of time. Time is configurable

### 3G DATA LINK PROFILE CONFIGURATION

- Auto mode
  - Auto detect SIM card APN and configure data link profile accordingly
- Manual mode
  - User input settings like APN, authentication, username/password

## For Etisalat Customers

For all your enquiries and to avail a range of services that will facilitate your communication needs related to our products & services, please contact us at:
